

1970  
CALIFORNIA QSO PARTY  
NORTH HILLS RADIO CLUB, INC.  
K6IS

Included are the results of the 5th Annual California QSO Party. Certificates were awarded to each first place station listed in the results. Second place certificates were awarded where appropriate.

The California QSO Party was not the only thing going that weekend. The Massachusetts QSO Party was quite active that weekend also. Some amateurs were not happy about it, but I feel it does no harm. When one works out the California stations, he can then chase Massachusetts stations for a while--or the other way around. As WA2BCT, operator at WLYK, put it: California QSO Party, a subsidiary of the Massachusetts QSO Party. It's all the way you look at it.

Thanks to all who provided the SASE or IRC for the results. The 1971 QSO party will be the first weekend in October. Those planning rare county activity, please contact me. I plan to return to Sierra County.

S O A P B O X

WA6JDT/6 in Sierra Co. was the last county needed in California--K1VTM. (Note K1VTM/1 Tolland Co. January, 1969 was WA6JDT's last county in Connecticut)....Working both contests boosted scores considerably--WLYK....New York QSO Party planned for first weekend in May--WA2FOS....Feel a bit sorry for the poor chap spelling out San Luis Obispo--K2GLI....Real glad to see you drop the bonus multiplier--WA4FFW (ME TOO!!)....Could have gotten more counties if a few of the rare county ops had listened a little harder. One K6 only heard 58-59 calls, sure hope he needed Louisiana when contest was over because I called him on and off for over an hour--WB5CIC....Worked one new county (Alpine)--K7RSB....If some of the fellas paused a trifle after their CQ es listen for the weak ones - well, it's not my fault if they missed WVa--WA8CNN....I wonder where all of the activity was for phone--WB0CQO....Many thanks for the FB contest, especially for the operation in rare counties by W6UNP, WB6JJP and others--K0WNV....My last QSO party from Alaska. Leaving Alaska after 12 long years--KL7EFG....Wished I could have stayed awake longer for more 80 meter points--VE3CQA....Answered numerous weak stations calling QZ contest, but they were apparently not listening for a VE4--VE4EL....I'm sorry late my logs--JALWY (Arrived here in plenty of time--2 days from Tokyo)....It was only a jump in. I hope I have more time next year--SI3BYJ....nobody was on 40 meter novice band--W6AFL....AT this time a fuel line to my generator broke and I had to get to Lakeport to get parts--WB6-JJP/6 Mendocine/Lake....This is the first time since becoming a ham that I have entered a contest (33 years)--W6QPF....Good warm-up for CD and SS--WA6DKF/K2EIU....had two 16 year old girls helping with food, keeping our numbering sequential, and kept us entertained--WB6ABK....We worked the 30 hours straight--WA6DKP.

Those of you that are county hunters or potential county hunters, can receive confirmation for Sierra County if you worked me, (WA6JDT/6). I had a bunch of cards printed up for the party. Sierra County is quite rare.
