CQP RESULTS

# 1994 California QSO Party Results

## Contest Calendar

Brought to you in record time, here are the results of the 1994 California QSO Party. Despite the dismal solar flux of late, this great contest, which across the country and even beyond is used to mark the start of the fall contest season, has continued to grow in popularity. And CQP94 was definitely one for the record books. We had a record level of participation in the contest. Out-of-state log submissions were up 31% over last year and the total number received showed greater year-to-year growth than we have seen since 1986. The chart below illustrates the last 20 years of CQP participation in order to back up our claim of biggest and best CQP ever.

All 58 states and provinces were out in force this year in order to give the CA ops an exciting chase. A whopping 40 of the 6-landers managed to find them all to get a clean sweep into their logs. And thanks to N6TV's arm-twisting to get mobilers and expeditioners out on the road, all 58 California counties were there for the Auslanders to find. In the process of all this, 5 new California county records were set and 11 old state/province records fell by the wayside. Super work by all.

Top honors this year went to southerner Ken, AB6FO. With 825 CW QSO's in his log (the greatest number of any entry), Ken managed to nose out Andy, AE6Y, who actually had more total QSO's but not enough of the right kind. Congratulations, Ken. Only a slim margin kept third place WA6AUE out ahead of N6EK. And once again, despite serious competition, the top CA multi-single entry came from the guys operating W6EEN in Riverside County. Meanwhile, back up north, old master N6RO was joined by K3EST to take top multi-multi honors. Outside the Golden State, VE7NTT bested second-place W7QQ in the process of breaking his own record for British Columbia. Third place came from low-power entry AA8AV all the way from Michigan. K8AQM again put together a top team of Wolverines to turn in a M/M entry with the second greatest out-of-state point total. And finally, a very special thanks from us Sixes to N8LXS, who put on an out-of-state expedition to normally-rare Idaho to win his place in the NCCC record books.

Herewith, in this special CQP edition of the JUG, are all the details for you to pour over. Kudos aplenty are in order to K6PU for bringing us the results in absolutely record time. Ken gave up (Pres. con't page 2, col 1)

### February

11-12	NA Sprint CW	QST, Jan. p.127

## Next Meeting Friday, February 24

Vic's All-Star Restaurant, Pleasanton  
201A Main St. (Directions page two)  
Dinner at 6:30, Business meeting at 7:30.  
Chicken a'la Orange (\$16) incl tax & tip  
Pasta Primavera (\$14) incl tax & tip  
W6RGG and WM2C, who absolutely shot the lights out in CQWW-CW with their VP5VW and C6AHX operations, take us through their award-winning expedition.

## Awards Banquet

Saturday, March, 18  
Pleasanton Hotel  
Reserve now for our Big Gala  
Details and Reservation Form  
on Page 9.

## Directions to East Bay Meeting Feb 24

All hands alert! This meeting date is the **fourth** Friday of the month--not our usual thrid Friday.

Take 680 to Bernal Rd exit and go east on Bernal. After about 1 mile, watch for the sign indicating a left turn onto Main St. Turn left onto Main, and Vic's is on the left side of the street within the first 1/2 block..

(Pres. con't from page 1) his whole Christmas vacation to work over the logs and verify the results. He had exactly 11 weeks from the deadline for submission until he turned all the results over for printing.

Note that these results are really hot off-the-press. You're getting them at just about the same time as the NCCC Awards Committee. Even as you read this, W0YK is having plaques engraved, AD6E is ordering T-shirts, and WA6SDM is printing certificates and putting labels on wine bottles. We will have awards ready for attendees at the NCCC Awards Banquet in March (see notice elsewhere in this JUG), but won't begin mailing awards until late April. If you can't make the Awards Banquet but will be going to Visalia or Dayton, please try to pick all your goodies up there and help us control our postage expenses.

**Nominating Committee for Club Officers:** Per our by-laws, NCCC will conduct election of new officers at the April meeting. (Yes, Virginia, there IS an April meeting.) We will select a president, vice-president/contest chairman, secretary/treasurer, and 3 directors to serve from 4/95 to 4/96. Nominations from the floor during the meeting will of course be welcome. But in order to ensure we have a full slate of candidates willing to do the job, the Board of Directors will propose a slate in advance of the election. The Board has appointed a nominating committee consisting of AA6KX, W6QHS, and N6TV. Please contact one of these people if you would be willing to serve as a club officer next year.

### The Northern California Contest Club

President, Bruce Sawyer, AA6KX

Vice-Pres/Contest Chr. Bob Wolbert N6IP

Sec/Treas. Dick Dievendorf, AA6MC

Directors: Al Maenchen, AD6E

Dave Leeson, W6QHS

Steve Thomas, N6ST

Bob Wilson, N6TV

JUG Editor John Troster, W6ISQ

82 Belbrook Way Atherton, Ca., 94027

Publisher, Maggie Troster, KC6NFE

The JUG is the journal of the NCCC, published monthly. Copies are mailed to members whose dues are up-to date. Send material for publication before last Monday of the month.

## Wolbert's Words

de N6IP

CQP results have pre-empt my usual space, so your scores will appear in next month's JUG.

**New Rules.** During the past nine or ten months, myself and others have received suggestions regarding rule changes to our California QSO Party, known as CQP. We had no time to do anything before CQP '94, since the magazines require submitting the contest rules almost immediately after the present Board of Directors began serving our sentence...er, term. Then came the big SS push, and now we're in February. If we will monkey with the rules, now is the time to begin.

But before we get carried away, let me remind you that CQP is the premeire state QSO party. The present BOD is unanimous in its reluctance to "mess with sucess". We wish to inform you of the suggestions put forth and invite your comments. Please give this matter some deep thought and tell me what you decide. This request is printed in this issue, along with the CQP '94 results, and is sent to all CQP participants—not just NCCC members. We are interested in receiving the opinions of non-Californians as well.

Basic philosophy and a ground rule Successful contests have lots of activity. Things that promote activity are desirable. Our ground rule is that any changes cannot create a significant increase in workload to our CQP log maestro or our awards chairman. (A large increase in log submissions is acceptable, though!)

### Suggestions received:

- 1.Restrict the California club entry category to "medium" sized local or regional clubs. "Medium" to be defined later.
- 2.Add a QRP category (< 5W output power)
- 3.Change CW QSO points to double those for phone
- 4.Restart all scoring records

Each suggestion would increase activity and competitivness, according to sponsors. Each has problems as well, ranging from minor to extreme, according to detractors.

**What do YOU think?** Remember our goals. Is CQP "broken"? Does any idea have enough merit for adoption on an experimental basis (1995 only)? Let me know! Feed back via the usual methods:

Bob Wolbert 10028 Bon Vista Ct., San Jose, CA 95127

N6IP, via DXPSN Internetn6ip@wile.thetech.org

Ph/Fax (408) 258-1015

**VHF Contest.** At our January meeting, we agreed upon presenting a club entry in the ARRL VHF contest. So far, only a couple of logs have been received; please get your scores in to me.

73 & GL de Bob, N6IP

### News Flash From the Editor's Pad:

Herewith and to Wit:

The JUG Contest Center announces that next month it will announce the opening of a new, absolutely previously unthought of, type contest for members of the NCCC (others admitted only by extreme supplication). Watch these pages!

Lots of comments about how much you enjoyed the CQP. "Best run state QSO party". We love it, thanks. High band conditions were poor at best but non-CA logs received were up 81% and CA logs were up 7%. All 58 CA counties were active but only 4 stations managed to find them. All 58 WVE sections were active and 40 CA stations managed to find them all. Special acknowledgement of the effort by 9 year old K6SKKP with a first place in her county. Other young ops include 11 year old K8BSUZ (top at K8AGM), 16 year olds KB3AFT and KD6MYG (top at KM5OH), and A60NB age 17.
